

(This is a copy and paste of an email sent to Ms Lewis, Councilman Roach's assistant, on 12/19/2014)

Once again, thank you for informing me that Mr. Roach is planning a visit to Thun Field after the first of the year. That did leave me the impression you were referring to the first part of January. However, I met for a short while yesterday afternoon with Deb Wallace and Michael Carver, and I was then informed this visit from Mr. Roach was on February's agenda.

This airport security issue is, frankly, a hot-button item for me, and to find out it takes up to four months for Mr. Roach to be able to discuss / view the situation is incomprehensible. (Reference the email I initially sent to CMs Roach, McCune, and Flemming on October 25 of this year.) I am going under the assumption that Mr. Roach lives in this district, as he represents this district, and it really shouldn't be too far out of his commute. I also realize that this likely is not as important to him as it is to me, but frankly I get the impression it is hardly on his radar.

Please correct me if I am wrong.
